Precious brothers and sisters in our Lord,

**Greetings to you in the name of our Bridegroom Jesus Christ!** Summer came and left before I knew it! The one thing I remember the most about it was the heat. Here in Central Indiana we were like much of the nation, sweltering most days, and wondering if we were in South Texas or the Mid-West! But it seemed that the moment Fall officially began, the temperature dropped almost immediately!

**We have all watched and prayed as our Country's people have suffered greatly from several natural disasters.** I have family members in Pascagoula and Lumberton, Mississippi. We spent several days praying for word about them. By God's amazing grace they were all spared, though all suffered damage to their homes. My sister-in-law Marlene Howard (many of you might remember when my little brother was murdered in 1980) is a live-in caretaker, and the home where she stayed is completely unlivable, having endured 5 ½ feet of water in it. She lost most of the little she owned. For awhile she and the couple she cares for (the wife suffers from Alzheimer's disease) found shelter from some empty rooms at an Alzheimer's unit in a nursing home! Marlene thought it was wonderful! Probably was compared to the house she had been living in! She and the couple she cares for have both applied to FEMA for a mobile home to live in. Let's keep all of these folks in our prayers.

**Turning to the goings on here, the Lord has greatly blessed me with a new Webmaster.** Her name is **Karen Failor** from Ft Wayne.

Karen is a powerful minister of the Gospel in her own right, and web-site designing is HER tent-making venture like the photo-cards and jewelry are MY tentmaking venture. She also specializes in writing curriculum courses for Bible Schools and other ministries.

We hit it off right away and Karen eagerly redesigned the entire website! And what a masterpiece she created. Thanks so much, Karen!

**The website has been a great success!** It is wonderfully interactive, and I have made the effort this time to be faithful to writing weekly devotional nuggets, among other things. I invite you to keep in touch with me through the website. We are keeping the weekly devotions in a “back room” of the website, and after we obtain several are going to make an archive of previous devotions available to read.

**Meanwhile, please pray for Karen** as she expands her tent-making. If you want a website for your business or just want one for yourself, I highly recommend her. You can reach her at [www.creativecourseauthoring.com](http://www.creativecourseauthoring.com) Karen will continue to assist me with my website, so we are partnered together in this endeavor.

**For those of you who receive this letter by Snail Mail,** I want to tell you that I have two “Viewing Galleries” on my website where folks can browse through my hand-made Photo cards or check out the Dichroic jewelry I’m making available. I really can’t help you see this unless you borrow someone else’s computer and check out the website. you might try it. The address is [www.PraiseWithRobin.com](http://www.PraiseWithRobin.com) In addition to the Photo Cards and jewelry, my two music albums are online. Finally, tax deductible contributions to the ministry can now be made on-line as well as by the more traditional post office.

**For those of you who are on-line,** let me remind you that in each of the Galleries, the five or so pictures at the top of each page are on that page. there are many more pages in each gallery. Just click repeatedly on the little arrows to the right of the pictures at the top, and you can see them all! to see any picture enlarged, just click on it and it will show up right below.

**Ministry has been beautiful the past three months.**

**1. I completed my first Neighborhood Bible Study.** We took the summer off and have now begun another 13 weeks of study and prayer. This time we are considering the Lord’s call to be set apart for His purposes. our primary study book is by Rev. John Mulinde called Set Apart for God.

**2. Twice in July and five times in August,** it was my privilege to partner with my pastor and his wife in leading an intercessory prayer meeting at my church. Our prayer focus was worldwide as well as very particular. I was graced to also do some teaching at several of these meetings.

**3. I continue to teach Sunday School.** The name of our class is **Revival 404: the Bridegroom and the Bride**, and our focus is on asking the lord to personally

renew and revive us. We want the Lord to hear our heart cry for a great outpouring of His Spirit upon His church in these last days, beginning with us. Just this past week we began fasting and praying as each could. It is wonderful to worship with a group of brothers and sisters who earnestly are seeking his face, whose greatest desire is to so position ourselves before Him that He can do exceedingly and abundantly in and through us that which pleases Him most.!

**4. I continue leading worship** on a rotation basis at the Fort Wayne house of prayer. We meet for worship and intercession every Friday evening.

**5. Beginning in October,** the worship teams from the Fort Wayne house of Prayer will also be meeting on Tuesday nights. Our purpose is to expand and make more excellent our gifts of music as we employ them in worship. We will also study the Scriptures as they relate to God's desire for a holy, worshipping Bride.

**6. I also had opportunity** to do a couple of church services and to lead worship and speak at a ladies retreat. All in all it has been a busy three months.

The next three months will include all of the above plus other ministry the Lord opens up to me.

**Extra ministry events include** a Lutheran Ladies Bi-ennial Retreat in Michigan in October, and a couple of church services in Elkhart. As always, if you are interested in having me come and minister at your church or ladies group, call me at 574-594-2431.

**I want to thank each of you** for continuing to pray for and support me as I do more and more unpaid ministry. Some may question the value of teaching, prayer, worship and intercession as a way of living, but I'm finding myself living more and more as a worshipper in the Tabernacle of David. As the Levites of old were supported by all the people, our Lord today has graced me specially with you. I thank you and pray blessings upon you - - blessings upon blessings! I sense often the incredible unity in our labor together for the same of the Kingdom! May God be glorified through our combined ministries in His Name!

In that Matchless Name of Jesus,

Robin Lee

Below is a cool autumn scene the Lord graced me with early one morning.

The lines have fallen to me in pleasant places; Indeed, my heritage is beautiful to me. *Psalm 16:6*
